

Lihua International to Report Third Quarter 2011 Results on Wednesday, November 9, 2011

Danyang, China – November 1, 2011 – Lihua International, Inc. (Nasdaq: LIWA) ("Lihua" or the "Company"), a leading Chinese developer, designer, and manufacturer of low cost, high quality alternatives to pure copper products, including refined copper products and superfine and magnet wire, as well as copper clad aluminum ("CCA") wire, today announced that it will report financial results for the third quarter ended September 30, 2011 on Wednesday, November 9, 2011, before the start of trading in the U.S.

The Company will host a conference call to discuss the results on Wednesday, November 9, 2011 at 8:00 a.m. Eastern time. Interested parties may access the conference call by dialing 1-877-941-2069 in the U.S. and Canada, or 1-480-629-9665 internationally.

For those unable to participate, an audio replay of the call will be available beginning approximately one hour after the conclusion of the live call through November 16, 2011. The audio replay can be accessed by dialing 1-800-406-7325 from the U.S or Canada, or 1-303-590-3030 internationally, and entering access ID No. 4485000#.

The call will be also be available as a live, listen-only webcast under the "Events and Presentations" page on the "Investor Relations" section of the Company's website at http://www.lihuaintl.com/Investor_Relations/Events_Presentations.html. Following the live webcast, an online archive will be available for 90 days.

About Lihua International, Inc.

Lihua, through its two wholly-owned subsidiaries, Lihua Electron and Lihua Copper, is a leading value-added manufacturer of copper replacement products for China's rapidly growing copper wire and copper replacement product market. Lihua is one of the first vertically integrated companies in China to develop, design and manufacture lower cost, high quality alternatives to pure copper magnet wire and pure copper alternative products. Lihua's products include CCA and pure copper products. Current product offerings include CCA and copper wire, copper rod and copper anode. Except for CCA wire, all other products are produced from recycled scrap copper. Lihua's products are sold in China either directly to manufacturers or through distributors in the wire and cable industries and manufacturers in a wide variety of industries including the consumer electronics, white goods, automotive, utility, telecommunications and specialty cable industries. Lihua's corporate and manufacturing headquarters are located in the heart of China's copper industry in Danyang, Jiangsu Province. For more information, visit: <http://www.lihuaintl.com>.
