### **About Lihua International, Inc.**

Lihua, through its two wholly-owned subsidiaries, Lihua Electron and Lihua Copper, is a leading value-added manufacturer of copper replacement products for China's rapidly growing copper wire and copper replacement product market. Lihua is one of the first vertically integrated companies in China to develop, design and manufacture lower cost, high quality alternatives to pure copper magnet wire and pure copper alternative products. Lihua's products include CCA and pure copper products. Current product offerings include CCA and copper wire, copper rod and copper anode. Except for CCA wire, all other products are produced from recycled scrap copper. Lihua's products are sold in China either directly to manufacturers or through distributors in the wire and cable industries and manufacturers in a wide variety of industries including the consumer electronics, white goods, automotive, utility, telecommunications and specialty cable industries. Lihua's corporate and manufacturing headquarters are located in the heart of China's copper industry in Danyang, Jiangsu Province. For more information, visit: <http://www.lihuaintl.com>.
